Serious Fun at Rotary Clubs of Norwich Annual Golf Tournament

**Wednesday
 September 1, 2021
 Norwich Golf Course**

Dear Community Friend,
 Yes, we take our golf seriously. We also take seriously the unique opportunity that our annual golf tournament provides to benefit MANY deserving organizations.

Last year we raised \$14,000 that was dispersed to heart-felt programs including Amber Alert programs for kids through age 18 and warm winter coats for families in need. Most of the funds raised are channeled back into our local community, however, a portion is forwarded on to Rotary International to help with projects involving fresh drinking water or the eradication of polio.

Please join us for a great day of fellowship, fun and wonderful causes at the Norwich Golf Course. On behalf of the community we serve, thank you for making this successful tournament possible.
